This entire catalog was built by AI in one afternoon.

No web designer. No developer. No agency. One volunteer with an AI assistant.

Auction Website

A full mobile-friendly website with search, filters, item photos, and Google Maps link — ready to share with guests.

Bid Sheet Scanner

Volunteers photograph bid sheets with a phone. AI reads the cursive handwriting and produces a winner list in seconds.

This PDF Catalog

A print-ready, shareable overview of all donated items — generated automatically from the donor spreadsheet.

Before vs. After
